Thanks Chad,

That sounds fine, I'm in all week.

Talk with you later,

Mike

I will reach out to you sometime this week but in the mean time we had this individual that we met that his group is looking at the CFAC site as a potential area to put this plant that would create transformers I'm sure you saw it in the paper. But I told Andy I would give him your email to talk about the logistics about it, and just wanted to let you know about this ahead of time.
